REMARKS

The Continuation Sheet mailed August 7, 2008 reads: Application No.
10/057,270

Continuation of 3. NOTE: Applicant has amended their claims in the response filed 6/30/2008, which have raised new issues, such as the newly added steps of creating and maintaining a database, which would require a new search and consideration. Therefore, Applicant's arguments have been considered, but were not deemed persuasive as they address amended claims, which have not been entered.
